The Contracting Authority (Ministry of Finance) intends to award a service contract to assist the Ministry of Employment and Labour Relations (MELR) to improve employment policy management at the central and local levels in Ghana through the support of a Technical Assistance Team (TAT). The purpose of this contract is:

- To provide support to the Ministry of Employment and Labour Relations (MELR) for effective management of the National Employment Policy priorities;
- To strengthen the Labour Department at national, regional and local level, including the Public Employment Centres; and
- To enhance linkages and cooperation with relevant stakeholders notably in the areas of social protection, technical and vocational education and training (TVET) and business and cooperative development. In this regard, the TAT will assist the MELR staff in the activities foreseen with the aim to ensure the sharing of knowledge related to the implementation of the project.

The Programme is located in Accra (MELR) with financial assistance from the “**Ghana Employment Social Protection Programme (GESP)**” under the 11th European Development Fund (EDF).

The contract notice is available on the EuropeAid website:
